

USGA RULES SHALL GOVERN ALL PLAY  
EXCEPT WHERE MODIFIED BY LOCAL RULES

LOCAL RULES

- Out-of-bounds is defined by white stakes, property walls around homes, all perimeter walls and the inside edges of all community roadways.
- Desert and waste areas are defined as General Area. You may ground your club and remove loose impediments.
- Sprinkler head rule is in effect. A ball that is within two club-lengths of an immovable obstruction and the obstruction is within two club-lengths of the putting green is provided free relief from intervention (line of putt). The ball may be lifted and dropped at the nearest point of relief to where the ball lay.

ETIQUETTE

- A Member's round of golf, under normal playing conditions, should be completed in 4 hours and 5 minutes or less. Please be cognizant of your pace of play to ensure the enjoyment of all players.
- Please drive golf cars on the designated paths whenever possible and always on par 3s.
- Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by them and any nearby made by others. Rakes are to be placed outside the bunkers running parallel to the fairway.
- Players should use the sand provided to fill divots.
- Players should repair any damage to the putting green made by the impact of a ball or spike mark.

As a water conservation effort, FireRock Country Club is proud that its golf course is irrigated with reclaimed waste water.
