

RULES & REGULATIONS – DRESS CODE

Overview – With our dress code policy, we hope to convey a sense of comfort while also providing some general guidelines for what is expected of our Members and their guests. It is expected that Members will choose to dress in a fashion befitting the surroundings and atmosphere provided in the setting of the Club. It is also expected that Members will advise their guests of the dress requirements to avoid any potential problems. The Club will publish dress requirements for specific events from time to time that will be different than the normal day-to-day dress requirements and, in those times, we request that you dress in a fashion appropriate to the occasion as outlined in the event details on the website.
